I have read and will abide by The Irish Rugby Charter

This Charter sets out the manner in which the Irish Rugby family aspires to live its values through its actions in each aspect of the game from grassroots to professional rugby. The values and standards of all involved, from player, coach, volunteer to spectator are vital to the work and reputation of the game. Our values are our moral compass, on and off the pitch.

Respect
Respect for others and self. Gratitude to coaches, officials, volunteers and other leaders in the game. Respect for the physicality of the game and commitment to the safety of the player as paramount. Discipline while playing and respect for all those involved in the rugby family.

Integrity
Actions on and off the pitch that are open and transparent. We question what is not in the best interests of the player and those involved in the game, especially youth players. In rugby we aspire to do the right thing and endeavour not to be the bystander.
